Miss. Morris – Kindergarten

## CLASSROOM NEWS

We will be looking ahead to our Veterans Day program on November 8th. We will be singing "God Bless America". Please practice the song at home. We would also like for the students to wear red, white, and blue on the day of the program (This coming Wednesday).

Please return the white envelope that held your child's report card with a parent or guardian signature. If you have any questions or concerns, please write them in the parent comment section and I will respond as soon as possible.

We are also sending home (double-sided) Letter naming and Nonsense word fluency page on Tuesday. If your child has mastered letter naming, you can begin sounding out nonsense words on the back side. If your child is still struggling naming letters, continue on the letter naming side. We hope this will help meet your child's level of learning. Our goal for the end of the second nine weeks is for ALL students to know ALL letter names and ALL letter sounds.
